Stable Exhibition

- ❖ To guarantee a “fresh” look of the Exhibition, all photos shown must be taken in either 2016 or 2017.
- ❖ Please let me know by **March 15, 2016** the title of the photos you are showing. The title should be less than 18 characters long (including spaces).

This will allow us to produce the Exhibition Brochure.

Stable Exhibition

- ❖ At the exhibition, we are going to have a special corner about “**Hobbyists Being Hobbyists**” photos.
These photos must not be posed but show our Members engaged in various club activities (bowling, golf, cooking, etc.). These pictures will NOT count as one of the four in the Show.

Photo Reviews

Photo Review

- ❖ Remember the aspects to consider when reviewing a photo besides its technical quality:
 - ▶ This image works because
 - ▶ Is there a clear subject for the viewer?
 - ▶ Does the image tell a story?
 - ▶ Is the lighting appropriate for the mood of the image?
 - ▶ Is the background clean and void of distracting elements?
 - ▶ Are the edges of the photo properly executed?
